

Hello golf,

why are you
so green?

Golf courses need a lot of water

Hello trees,

why aren't
you taller?

There is fresh air up in the mountain!

Hello sculpture,

are you the
wind's friend?

Sometimes we decorate
some landscapes

Hello houses,

why are so
small?

People like gardens

Hello invading plant,

do you
want to colonize
everything?

I prefer diversity!

Hello flamingos,

82

what happens if
there is no food
for everyone?

Pink is not for boys or girls
